

## American Lincoln Parts

American Lincoln Part - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known within the business as providing strong and durable machines which suits all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide equipment, components and warranty service for these kinds of scrubbers that have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where efficiency and results make a difference. Lately, this floor scrubber model has been utilized by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
