

Rockwell Parts

Rockwell Parts - AxleTech International is a leading provider in the world of specialty vehicle drive-train systems and components along with off highway vehicles. The company prides itself on being its customers' chosen supplier. AxleTech strives to exceed and meet their clients' expectations for technology, delivery, quality and service. They believe in working within an atmosphere which encourages the highest integrity with empowered collaboration, together with a unyielding pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of environmental safety and stewardship in how they do business. The business has put various programs in place in order to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with whatever comments or questions, because they are glad to promote and share this policy with a greater knowledge of their efforts. They are very committed to preserving and improving the natural world. AxleTech has an EHS program which not just protects the natural environment but which likewise actively protects their neighbors and staff also.

AxleTech specializes in the designing and manufacture of planetary axles meant for both commercial and military applications, which may consist of anything from construction equipment to airport ground support. They take great pride in being an innovative drive-train solutions provider also. AxleTech specially designs axles so as to meet particular application demands. They have over 1000 various axle specs within their present offering. With more than 100+ years of experience and history, AxleTech proudly supplies the most complete solution for any of your axle requirements. The business is well known in many commercial and military applications. They provide complete axle assemblies utilized for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details which could be seen in the "ISAS" product selection.
